Quiz show

Quiz show can be music, movie, trivia, sport, football, kids movies or fairy tales.

This is a very easy show, which needs good organization and preparation work.

15 min. before show starts you need to distribute all pens and papers. On the microphone the animation staff announces the quiz show in several languages, informs about the 1st prize and rules of the quiz show.

Then each question is repeated by the moderator in min. 2 languages. The moderator reads also the options a/b/c/.

Within 15 min. the moderator shall have gone through all questions and asks if somebody from the guests needs a question to be repeated. If no the assistants collect all pens and pencils.

The moderator starts with questions and gives the right answers.

While moderator is reading right answers and repeats questions the assistants check all the papers. Assistants have all the right answers and before moderator finishes with announcing right answers, they should be ready with 1st place.

Club dance before inauguration and then dance music or GR.
